Local Association	

### What is the purpose for Local Membership – Please check if you wish to join \_\_\_\_

Our local associations are dedicated to honey bee education for beekeepers and the public. Local Clubs meet monthly to share in seasonal beekeeping as well as to hear from informed speakers. **Please do not send local membership fees-pay that to their treasurer that at the next meeting.**

### What is the purpose for State Membership – Fee \$10 Please check if you wish to join \_\_\_\_

State Level membership offers the individual and local bee clubs the opportunity for honey bee education on a national platform. The State will host conferences twice yearly, with the latest in beekeeping research and scientific studies. The State also partners the local for honeybee education classes.
